Message from the President

Dear Students who want to pursue truth and excellence:

There are so many universities and colleges all around the globe. However, this Washington International Mission University has been established to be the beacon of truth for this dark world.

So many religions and their leaders have come and gone like a flood. The extreme selfishness and lost morality overflows the empty bowl of reality. And yet, here is the educational goal for our University: only contending for the truth and finding visionaries who are willing to sacrifice and willing to chase the shadow away and recover the society that has long lost moral value and truthfulness.

You, the beloved prospective student:

Washington International Mission University (WIMU) has great plans with a solid educational ideology to suit your needs for a firm faith so that we may be the stepping stone to your promising time and eternity.

We have a vision based on the Word of God: "Your beginning will seem humble, so prosperous will your future be." (Job 8:7)

If you are willing to set out to invest your valuable time, talent, and treasure at our University, we would partner with you to be the bearers of the Light and Truth of the World.

May we challenge you with an invitation from God's promise for better scholarship and more mature faith in the Lord?

Dr. Richard H. Kong
President

Our Passion

Our primary passion at Washington International Mission University is to build you up in your faith and to equip you for ministry to others. We desire to present every man complete in Christ (Colossians 1:28). We are training activators who are launching globally, each one transforming others with revelation and wisdom. Computers, communication technology, and methods are dynamic. Therefore, we will train you to become His Light in this changing world with the unchanging Word of God, imparting Jesus' gifts, as we build churches in a global community together.

You will find that Washington International Mission University is a great environment to seek God, discover your own gifts, form your core values, and identify & activate the desires He built in you.

Emphasis on Internship

With all of the programs we offer, there is a strong emphasis on internship. This is your opportunity for hands-on experience – you learn best by doing. We help give you that opportunity in a wide variety of ministries, both urban and multi-cultural. You will also get a chance to be involved in a broad spectrum of activities within those ministries.

Please, ask God if this is for you!

Do you have a hunger for abiding presence of God? Is the cry of your heart to see God's Kingdom come, on earth as it is in Heaven? I would encourage you to pray, asking Jesus if Washington International Mission University is the next step for you! We will be happy to welcome you to the family!

Religious Exemption Statement

The Washington Student Achievement Council has determined that Washington International Mission University qualifies for religious exempt status from the Degree-Granting Institutions Act for the following programs: Bachelor of Ministry (BM), Master of Ministry (MM), Master of Divinity (MDiv), and Doctor of Ministry (DMin). The Council makes no evaluation of the administration, faculty, business practices, financial condition or quality of the offerings by this institution. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the Council at P.O. Box 43430, Olympia, WA 98504-3430 or by email at degreeauthorization@wsac.wa.gov.

Accreditation

Washington International Mission University (WIMU) is not accredited. To be officially recognized as an “accredited” college by government definition, a school must be evaluated and approved as such by an accrediting agency that is recognized by the U.S. Department of Education.

Although Washington International Mission University is not an accredited college by this standard, this does not reflect on the academic quality of our classes and programs. Because of the strong academic foundation, quality of instructors, and deep internship experience gained while at WIMU, we are recognized by many churches and certain denominations as a qualified training school, and we are considered as substantial and often sufficient in providing training for those in pursuit of obtaining Ministerial Credentials within their organization. Each church and organization has their own standards for licensing, and we strongly encourage you contact them to discover their prerequisites prior to applying with us.

Our position with the State of Washington is that we are registered as a “RELIGIOUS EXEMPT” College. This allows us the flexibility to teach on a broad variety of Christian and Christian Ministry related topics that many other schools cannot offer. In addition, we also do not have the requirement of offering typical “General Education” courses that are usually necessary to receive that level of academic accreditation.

Transferability of Credit

Because we are not accredited, it should be noted that students desiring to transfer credits to another institution should contact the admissions department of the other schools before enrolling in any courses with Washington International Mission University in order to verify transferability of academic credit. Some colleges will favorably consider transferability of credits on a case by case situation, and the decision belongs solely to the receiving institution.

Statement of Purpose

We are an interdenominational college designed to train men and women who desire to expand the Kingdom of God globally. There are pastors and mentors from many and various churches and different denominational affiliations and traditions. However, there are some vital common doctrines uniting us. Here they are:

We believe...

- There is only one true God who is the eternal King, Creator and Redeemer of all that is. He is perfectly holy, just, loving and truthful. He has revealed Himself to be eternally self-existent – one being in three persons: God the Father, God the Son, who is Jesus the Christ, and God the Holy Spirit.
- The Bible is the inspired and only infallible and authoritative Word of God.
- Humankind was created in the image of God to know and enjoy Him, yet we willfully rejected the Lordship and glory of God for which we were intended. Because of this, sickness, death, and judgment entered the world and now creation experiences the effects and consequences of sin.
- The Lord Jesus Christ, the one and only Son of God, was born of the virgin Mary, who was conceived by the Holy Spirit, and is God's Anointed One, empowered by the Holy Spirit to inaugurate God's Kingdom on earth. He was crucified for our sins, died, was buried, resurrected and ascended into heaven, and is now alive today in the presence of God the Father and in His people. He is "truly God" and "truly man."
- The victorious redemptive work of Christ on the cross provides freedom from the power of the enemy: sin, lies, sickness and torment.
- We are saved by God's grace, through faith, in the person and work of Jesus Christ. Anyone can be restored to fellowship with God through repenting, believing and receiving Jesus as their Savior and Lord. The Holy Spirit convicts, regenerates, justifies, and adopts us as we enter the Kingdom of God as His sons and daughters.
- In the sanctifying power of the Holy Spirit who dwells within us, we are enabled to live holy and minister super-naturally. The baptism of the Holy Spirit, according to Acts 1:4-8 and 2:4, is poured out on believers that they might have power to be witnesses.

What We Believe

- The Church consists of all who put their faith in Jesus Christ, and are born again. Jesus gave His church the ordinances of Baptism and Communion. The Church exists to expand the Kingdom of Jesus Christ; to undo the works of the enemy; to equip saints for ministry; to preach and witness the good news of God's love; to disciple the nations, baptizing and teaching them to love and obey God.
- The Church eagerly waits for the glorious and visible return of our Lord Jesus Christ. Heaven and hell are real places. There will be a resurrection of the saved and the lost – one to everlasting life and the other to everlasting judgement.

Location

Washington International Mission University – Federal Way, Washington

Our campus is located at 32008 32nd Ave S, Federal Way, WA 98001 U.S.A. The building is located in one of the nation's most culturally diverse areas. Just 20 minutes from campus, and accessible by freeway, are Sea-Tac Airport, Seattle Downtown, professional sports arenas, and innumerable other recreational opportunities.

Geographically, Seattle is the nearest major U.S. city from Asia. Due to its location, foreign students have the opportunity to visit numerous worldwide, well-known businesses, such as Microsoft, Boeing, Starbucks, Costco, and Amazon.

As believers, we are a new creation and we have been saved from death to life, transformed from being a sinner to a saint through the work of Jesus Christ. Because of this, it is a core value of Washington International Mission University that students walk in integrity and godly righteousness. We also use this principle as the base foundation of the administration and guidelines for the college.

It is our belief that all Christians are called to a high standard of living. Students are expected to display honor and love, and resist picking up offenses, settling all relational conflicts Biblically and quickly.

1 Peter 2:9

“But you are a chosen race, a royal priesthood, a holy nation, a people for his own possession, that you may proclaim the excellences of him who called you out of darkness into his marvelous light.”

Ephesians 5:1-2

“Be imitators of God, therefore, as dearly loved children and live a life of love, just as Christ loved us and gave himself up for us as a fragrant offering and sacrifice to God.

We believe that students will not only grow academically and in their spiritual gifts, but they will also be challenged to mature and grow in character into the full measure of the stature of Jesus Christ.

Discipline

The nature of our Christian beliefs at Washington International Mission University requires a high level of godliness and self-management in the students’ lives. It is expected that students will uphold a Christ-like character, which includes meekness, truthfulness, peace, and love with no judgement, embracing a multi-cultural attitude. A situation or circumstance involving students walking outside of this framework will be dealt with in a healthy, firm, and appropriate manner. This will first be done on a one-on-one confrontation, providing an opportunity for resolution and repentance. After the first warning, if the action continues, the school staff will meet with the student to discuss appropriate disciplinary actions. The goal of discipline at our school is reconciliation and to allow opportunity for the students grow and mature.

Attendance Policies

Attendance

Attendance is taken for all classes, chapels and intensives.

Certificate Program Attendance Policy:

3 Absences – Student receives warning from administration

4+ Absences – Student must complete supplemental homework from instructor

5+ Absences – Student eligible for termination from WIMU

Bachelor, Master, Doctorate Program Attendance Policy (per course):

2 absences – Student receives warning from administration

3+ absences – Student eligible for termination from WIMU

Academic Policies

Grades will be monitored by each instructor and the administration. The grading scale is determined by the instructor. Students continuously at a C average will receive an academic warning from the administration and will be put on academic probation.

4.0 – 2.4 GPA (A – C+ average)	Passing
2.3 – 1.4 GPA (C – D+ average)	Warning and academic probation
1.3 or Lower GPA (D or lower)	Termination of enrollment

Grading Scale

A	94 – 100%	4 grade points
A -	90 – 93%	3.7 grade points
B+	87 – 89%	3.5 grade points
B	83 – 86%	3.3 grade points
B -	80 – 82%	3.0 grade points
C+	77 – 79%	2.7 grade points
C	73 – 76%	2.3 grade points
C -	70 – 72%	2.0 grade points
D+	67 – 69%	1.7 grade points
D	60 – 66%	1.3 grade points
F	less than 60	0.0 grade points

Grade Point Averages

A Grade Point Average (GPA) is calculated for each student by multiplying the number of credits for each course taken times the grade points for the assigned grade (see above). The total grade points are then divided by the number of total credits. Courses having a pass fail grade do not have grade points counted towards the student's GPA.

Class Schedules

Note: Course schedules listed below are subject to change. Check registration information for exact times and dates for each course including seminars and intensives.

Classes

Most class offerings are 4 credit classes taken once a week per class. The schedule for each class varies for each quarter and may be offered in the morning, afternoon, or evening. If the student takes online courses, the required number of hours online is the same as the in-class participating hours.

Seminars

Seminars are typically 2 credits for two days of intensive learning. The schedule for the seminars is as follows:

Friday:	7:00pm-9:00pm
Saturday:	9:00am-12:00pm
	1:00pm-5:00pm
	7:00pm-9:00pm

Intensives

Intensives are 4 credits with book reading and paper writing. The schedule for intensives is as follows:

Friday:	6:00pm-9:00pm
Monday/Tuesday/Saturday:	9:00am-5:00pm

Course Loads

A full time student takes 12 credits per quarter in the Master of Ministry and Master of Divinity program. All students in the Certificate of Ministry and Bachelor of Ministry programs must take 16 credits to be considered full-time. To be a full time student in Doctor of Ministry it takes 16 credits per year. Any less is considered a part-time student.

Clock Hour Calculations

Washington International Mission University has adopted the standard credit hour calculation for the quarter system. A quarter unit is equivalent to 50 minutes of classroom time per week over a ten weeks quarter.

Academic Advisement

At the time of initial enrollment, and during enrollment for every subsequent quarter, students will fill out a registration form. This form must be reviewed and signed by the school staff before the student can complete registration for that quarter. This is to

ensure that program requirements are being followed and the needs of the student are being met.

Class Schedules

Internship Courses

These courses are pass/fail which is decided by attendance and performance reviews made by internship mentors and school staff.

Transfer of Credits

WIMU will allow transfer of some college level credits. Students who wish to transfer credits will need to have official sealed transcripts sent to the office for review. Credits will be considered for transfer from a recognized educational institution of higher learning provided the student has received a 2.0 or better grade on courses.

Credits that relate specifically to our academic classes will be accepted on a case by case basis upon review of institution catalogue and courses from the other school.

Some credits are available for life-experiences. Each is considered on a case by case basis.

Due to the nature of the internship program, internship credits must be earned from an approved WIMU program. In most cases, internship credits will not transfer.

Earning Credit

Academic Classes

These are the core of our programs and courses offered at the school. The normal class load is to take four 4 credit classes per quarter for bachelor programs. Master program students generally take three 4 credit classes per quarter. As described in the class schedule section, academic classes are held at various times during the week and, occasionally, weekend seminars and multi-day intensives will be offered (see previous section in Catalog for schedule).

Internship Program

The internship program is a core piece of WIMU. Placement into various departments is handled on a case by case basis after meeting and reviewing with school staff. Students are placed under an internship mentor who has an established relationship with the school. During the quarter, the mentor will turn in a “review slip” relating to the student and his/her performance, attendance, and activities. Periodically, during the quarter, the student will meet with school staff to review how the student is doing in the area he/she is involved in.

A normal load for the internship program is one, 4 credit course for every quarter. Each student will be required to serve a minimum of 4 hours per week to receive a passing grade for the course. During the senior year of our bachelor’s program, the internship requirements are increased while the academic course load is decreased (see section on programs offered).

THEOLOGY (TH, 4-8 credits)

Course Descriptions

TH 101 (501) Survey of Theology

This course provides an overview of the major biblical doctrines including Bibliology, Theology Proper, Anthropology, Hamartiology, Soteriology, Christology, Pneumatology, Ecclesiology, Angelology, and Eschatology.

TH 102 (502) Church History (Theology through the Ages)

This course is a study of development of theology through the eras of the church. It will examine the different beliefs of the Christian church from the time of Christ until now.

TH 103 (503) History of Pentecostal Movements

This course is a study of the history of Pentecostalism, including study of major revivals, key times, and people in the history of Pentecostalism.

TH 104 (504) Attributes of God

This will be a study of the many facets of God. Does God know everything? Is He everywhere? Is He loving or judging? How do we reconcile the God of the Old and New Testaments? This class will go in depth to study the emotions and character of God in a search to answer some of these questions.

TH 105 (505) Worship through the Bible

This is a study of the history and theology of worship, including the topics of the tabernacle of David, prophetic instrumentation, banners, flags, dancing, and houses of prayer.

TH 106 (506) The Kingdom of God

What did Jesus have to say about the Kingdom? It was his main message. He preached: "The Kingdom of God is at Hand". In this class, we will study what the Kingdom of God is, and its applications for today.

TH 107 (507) Bibliology

The study of the Bible, in this course you will learn about the interpretation of the theology of written scriptures, including what the Bible says about itself. This is a "How to Study the Bible" course.

TH 505 Backgrounds of Contemporary Theology

A selected study of major theologians who continue to influence contemporary Christianity.

TH 108 (508) Christ and Church

In this course students learn about the Church, the Body of Christ, as the manifestation of Jesus on the earth. It will examine the relationship between Jesus and the Church and how it is an expression of Christ through which his works are now evidenced.

TH 506 Major Christian Doctrines

This course is an introduction to prominent doctrinal topics of Christian theology.

TH 508 History of Western Thought

A survey of Western philosophical thought with the purpose of introducing students of theology to philosophical ideas which have had a significant influence on the development of Christian theology. Students may complete an examination in lieu of the course requirement, or the course may be taken concurrently with other required courses.

TH 530 Modern and Contemporary Christian Thought

A study of thought from Enlightenment trends to contemporary theological and philosophical developments. The latter subject includes nineteenth century liberalism, twentieth century new-orthodoxy, existentialism, and post-existential trends such as secular, liberation, and hope theologies.
